ORDER ONLINE

Visit www.northernbusinessproducts.biz to browse and order any products you choose. To create an account, for new customers, simply click on the "Get Started" button on the home page to fill out an Account Request Form and a representative will be in touch!

ORDER BY PHONE

Order over the phone and speak with a live representative at 207-540-1490 (Mon-Fri, 8:00am - 5:00pm). When ordering over the phone you will need a current check from your supply and a deposit slip at hand to ensure accurate information. Pre-selecting the stock you wish to order on www.northernbusinessproducts.biz will speed up your order process.

MAIL US YOUR ORDER

Mail us your order to **96 State Street, Presque Isle, ME 04769**. Send us a **voided** copy of your current checks and a deposit slip, and a representative will complete your order. Our team will contact you if additional information is required.

SafeLOK®
U.S. PATENT NO. 6,190,043

SafeLok Deposit Bags

The SafeLok bag incorporates our “press2Lok” seal technology utilizing a high security void tape with an in-line closure. This void tape is specially formulated to display void evidence when subjected to heat, cold, or chemicals.

Typically used for deposits, this bag comes in a large array of sizes and styles including internal and external pockets for checks and deposit slips. High performance films and side seams meet all Federal Reserve guidelines. The high-definition void graphics on this “easy to seal” bag make it a deterrent against theft as well as a favorite for high volume cash users.

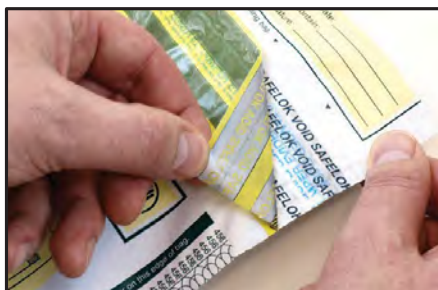

Your choice of high performance white or clear film that meets Federal Reserve Guidelines!

Key Features

Easy to Seal Press2Lok Closure

High Definition Void Graphics

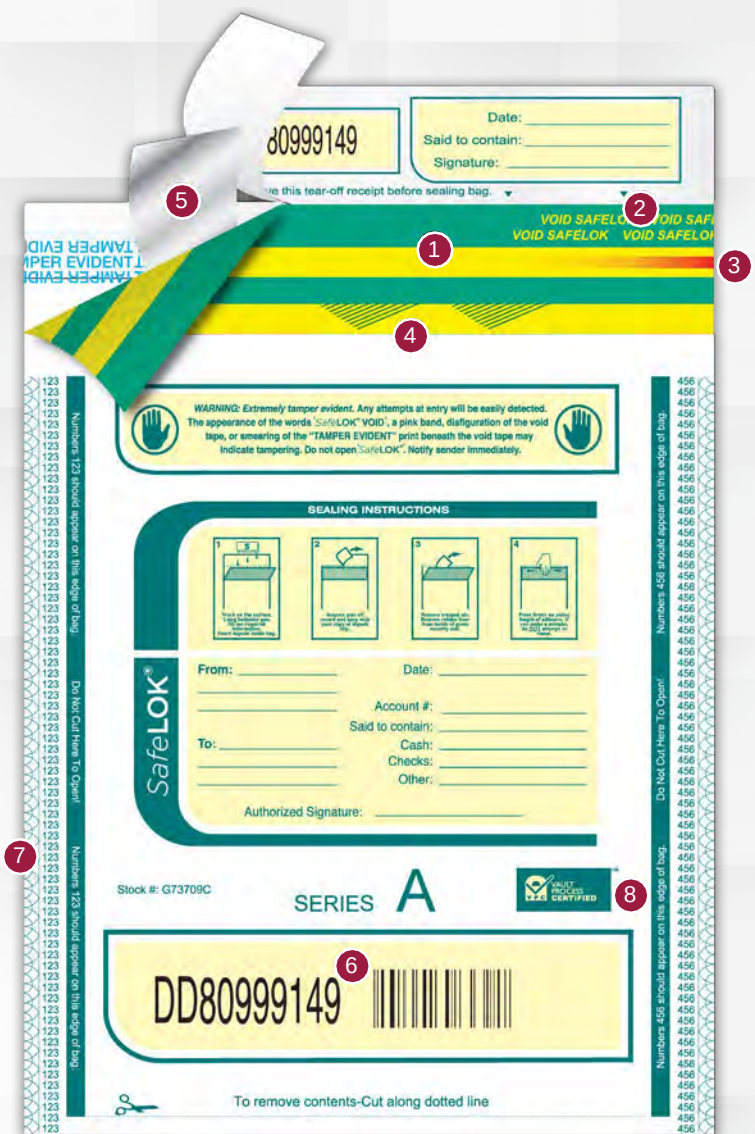

Large Bar codes on Each Side of Bag

Features:

- 1 Press2Lok closure - simply press and it's closed.
- 2 VOID message appears in sealing mechanism when subjected to cold temperatures or chemicals.
- 3 Specially formulated thermochromic ink turns red when subjected to heat.
- 4 Random printed black line graphics prevents the cut and replace method of tampering.
- 5 Anti-static metalized release liner.
- 6 Large, easy to read bar codes and sequential numbers on front and side of bag.
- 7 Security microprint along indented side welds.
- 8 The Vault Process Certified VPC seal – and the endorsement of leading loss prevention managers.

BAG-08

CoinLOK®
U.S. PATENT NO. 7,195,396

CoinLok Coin and Transfer Bags

The CoinLok coin bag meets stringent Vault Process Certification (VPC) standards which were developed by ControlTek's security experts in consultation with cash and coin management experts around the country. Bags that earn the VPC seal have been proven to provide dramatic improvements in coin management performance. This results in increased efficiencies in the vault and in all coin handling applications while virtually eliminating breakage.

Designed for simple one time use, these innovative coin bags are easy to use and fit all major coin counters and sorters. The option of a 2nd reinforced handle increases operator comfort and safety. An aggressive tamper resistant adhesive closure secures against tampering and provides security while in transit. CoinLok coin bags are preferred and endorsed by major armored couriers.

Key Features

Reinforced Die-cut Handle with Triple Ply Film

2-Handle Option Available for Improved Lifting Ability

Large, Highly Visible Sequential Numbering and Bar code

Features:

- 1 High visibility FED-compliant bar codes provides larger target for hand-held scanners. Large video-visual numbers are easily viewed by security cameras for audit trail.
- 2 Reinforced die-cut handle with triple ply film.
- 3 Dual receipts for customer or process use.
- 4 LokSpot-weld feature eliminates bag tear on seams when loading.
- 5 Strong, low-slip specially formulated VPC film technology.
- 6 FED required bag shipment write on area.
- 7 FED ID label placement area.

Security Stamp

STA-TRO-SEC

Designed with a unique pattern to block out confidential information, these self-inking stamps are perfect for high volume use with each excellent impression. Only available in black ink, these stamps come fully assembled and are ready to use. Security Stamps will eliminate the need for an expensive shredder and provide thousands of impressions before a new ink pad is needed.
